

20 July 2008

Kia ora,

You may have come here looking for my paper 'Clark Vader and the Helengrad Labour Lesbians', originally published in October 2007.

On 20 July 2008 I made a slight revision of this paper, correcting some inconsistencies and grammatical errors, clarifying a few passages, adding an appendix of metadata from my audio source files and clarifying the conditions under which I am permitted to distribute the source audio files. The revised paper is available at <http://feayn.org/~lewis/clarkvader/20080720-clarkvaderandthehelengradlabourlesbians.pdf>.

If you have any queries or concerns about the paper, please email me: lewis@feayn.org.

Cheers,

L

(Lewis Stoddart)
